

## Application for evaluation of stallion for semen import 2017

Application for an interim breeding permit for stallion whose semen is to be imported to Sweden. Application and requested documentation are due January 30, February 28, March 30 or April 30, 2017 and are to be sent to SWB, Box 2, 247 29 Flyinge, Sweden or [ann-charlotte.cadier@swb.org](mailto:ann-charlotte.cadier@swb.org)

### The following documentation is requested:

- Official pedigree information from breeding association.
- Official information on stallion test results from breeding association.
- A copy of the latest conformation description of the stallion, from its performance test or keurung
- Official information on stallion's competition/show results.
- Official information on siblings', dam's or other close relative's show/breeding results.
- Official information on offspring and the stallion's breeding index in other associations.

Foreign stallions that are to be approved for semen import to Sweden, within the breeding program of the Swedish Warmblood Association (SWB), must have a health certificate. The certificate must be issued by a veterinarian working in conjunction with the breeding federation of which said stallion is approved.

The veterinary report should include the following:

- Stallion name, identification number and pedigree
- Owner name and address
- Mandatory radiographs (x-rays). The stallion must have no signs of osteochondrosis (ocd) in its stifles and hocks. The x-rays need to include the following projections:

Stifles both latero - medial projection

Hocks both 30o palmo (Plantar, Latero-Dorso-Medial, Oblique) Projection (PI30L-DMO)

Please note that for identification, the stallion's ID, chip- or registration number need to be printed on the x-rays

- Attestation that the stallion has normal reproductive organs, including testes. Rotation of one or both testes, significant differences in size or firmness, absence of one testis by nature or due to surgical intervention, or other significant abnormalities must be noted.
